

CORONAVIRUS STATEMENT

3/12/20

Chase Farms is committed to producing and shipping a safe, quality product. There are currently no reported cases of Covid-19 virus in San Saba County. As a precautionary measure, Chase Pecan employees have suspended travel abroad and are not attending trade shows or exhibitions until further notice. Access to our plant for visitors is suspended at this time.

Chase Pecan has a robust Food Safety Program that has Good Manufacturing Practices at its foundation. Rigorous cleaning, sanitation and testing are performed daily. None of our products contain ingredients that have a Country of Origin that has been determined to be suspect for the Covid-19.

We do not take our responsibility to keep you and your customers safe lightly. We will revisit the situation often to determine when we are likely to lift our travel ban. Until everyone begins to feel safer, we apologize for any inconvenience and assure you that we intend to keep our appointed production schedules to meet your needs.

We thank you in advance for your support and continued business during this difficult time for all of us.

Regards,

George Thompson,  
Executive Director,
